## MSC COMPUTER SCIENCE STUDENT

### PERSONAL PROFILE

Currently taking a Masters in Computer Science. In my spare time, I come up with personal projects to develop my skills and learn new technologies, that are displayed and available both on my website and on Github. Always looking for new work and learning experiences to broaden my horizons. In my free time, I am also learning Japanese.

### WORK EXPERIENCE

#### System Engineer - Summer Internship

Skyline Communications | Jul 2019 - Aug 2019

- Regression tests in C#
- Worked using a SCRUM methodology
